BestOrtho.clinic DR. GAURAV SHARMA ORTHOPAEDIC CLINIC

Digital Transformation & Growth Optimization Report

Comprehensive Local SEO, Google Business Profile, Next.js Lead Automation & AI Search Engine Optimization (AEO/GEO)

Status: Production Ready

Date: October 2026
Location: Sikandra, Agra (UP)
Entity ID: /g/11cnc0vhf8

Executive Summary & Impact

Practice Infrastructure Upgrade

A full-stack digital growth ecosystem has been engineered for **Dr. Gaurav Sharma Orthopaedic Clinic** in Sikandra, Agra. The practice now possesses an end-to-end patient acquisition funnel: dominant Google Local 3-Pack optimization, automated appointment capture logging to Google Sheets with dual-email alerts, transparent verified credentials under NMC standards, and authoritative discovery across modern AI answer engines (Google AI Overviews, ChatGPT Search, and Perplexity).

1 Google Business Profile (GBP) & Local 3-Pack Dominance

32% of Local Pack Algorithm

🎯 Category & Profile Strategy

Primary Category: Orthopedic clinic *(#1 ranking factor)*

Secondary Categories: Orthopedic surgeon • Sports medicine clinic • Medical clinic • Physical therapy clinic.

Optimized 750-Char Bio: Highlights Dr. Gaurav Sharma's 20+ years clinical experience, focus on conservative joint preservation before surgery, knee & shoulder care, fracture stabilization, exact address at Satyam Complex Sikandra (Opp. Hotel Bhawna Clarks), and morning/evening OPD hours.

🩺 Structured Services Catalog (Google Justifications)

Triggers Google Search Justifications (e.g., *"Provides: Knee pain evaluation"*) when nearby patients search:

- **Knee Pain & Osteoarthritis:** Cartilage wear & joint preservation.
- **Shoulder & Rotator Cuff Care:** Frozen shoulder, impingement.
- **Sports Injuries & ACL/Ligament:** Sprains, tears, athletic recovery.
- **Fracture & Trauma Care:** POP/fiberglass casting, closed reduction.
- **Minimally Invasive Arthroscopy:** Keyhole joint evaluation.
- **Orthopaedic Rehabilitation:** Physiotherapy & posture correction.

📸 Photo Blueprint

High-res exterior with landmark (Opp. Hotel Bhawna Clarks), consultation desk with X-ray viewbox, and reception (drives 45% more direction requests).

⚙️ Active Attributes

Appointments required, wheelchair accessibility, UPI / Cards / Cash payments, verified website and direct contact links.

📢 Weekly Post System

Pre-written bilingual patient education posts (e.g. knee preservation, morning stiffness) maintaining high activity scores on Google Maps.

2 Website Architecture & Automated Lead Generation Pipeline

100% Verified Tests Passed

STEP 1
Patient Submits
Modal or Contact form validated with 10-digit Indian regex.

STEP 2
Secure API Route
`/api/book` runs anti-spam check & forwards payload.

STEP 3
Google Sheet Entry
Apps Script logs date, time, patient details & joint area in real-time.

STEP 4
Dual Email Alert
Instant alert to clinic email + patient acknowledgement.

🛡️ Form Hardening & Anti-Spam Defense

- **Indian Mobile Regex:** `/^(?:0|91)?[6-9]\d{9}$/` validates genuine 10-digit mobile numbers with or without +91 / 0.
- **Null-Safety & Crash Prevention:** Type-guarded to prevent 500 server crashes on malformed inputs; returns structured 400 errors.
- **Calendar Rollover Protection:** Rejects past dates while supporting valid same-day and future consultations.
- **Hidden Honeypot Field:** Silently catches and rejects automated bots.

📱 Mobile UX & WCAG AA Accessibility

- **44×44px Touch Targets:** Enforced on all mobile buttons, tabs, action bars, and footer links for effortless finger tapping.
- **WAI-ARIA Modal Dialogs:** Focus trap, background scroll lock, and instant `Escape` key / backdrop dismissal.
- **Symptom Navigator Precedence:** Resolved query routing so "Neck & Cervical Spine" resolves strictly to Neck / Cervical.
- **Dual Navigation:** Click-to-call dialer and WhatsApp quick inquiry.

3 Verified Medical Credentials & Dedicated Credentials Page

NMC Ethical Compliance

Dr. Gaurav Sharma — Officially Verified Credentials Summary
All academic and licensing claims verified via official credentials review.

Verified by Council

Credential / Title	Granting Institution / Body	Year / Reg No.	Clinical Significance
M.B.B.S.	Dr. B.R. Ambedkar University, Agra	Graduated 2003	Undergraduate medical degree (23+ yrs medical training).
M.S. (Orthopaedics)	Bundelkhand University (M.L.B. Medical College, Jhansi)	Graduated 2008	MS Thesis on Diagnostic Arthroscopy of Knee Joint.
State Medical Council	Uttar Pradesh Medical Council & MCI	**Reg. No. 48757**	Registered Medical Practitioner in Orthopaedic Surgery.
Academic Faculty	F.H. Medical College & Hospital	Teaching Faculty	Former Assistant Professor (Orthopaedics).
Professional Memberships	IOA (Life Member LM9633), UPOA (12818), IMA	Active Memberships	National & State scientific orthopaedic associations.

🚀 UX Upgrade: Dedicated `/credentials` Page

Homepage Decluttering: Removed the 6 large qualification cards from the homepage. In their place is a clean, prestigious summary card with badges and a button pointing to `/credentials`.
Dedicated Page: Houses the full interactive qualification cards, hospital consultant history (Moolchand, Heritage, Shanti Manglic), and surgical workshops.

🔒 Zero-Leak Doctor Privacy Guarantee

Strict safeguards applied to protect personal data:
• **Residential Address:** 100% excluded. Only the commercial clinic at Satyam Complex Sikandra is listed.
• **Personal Email:** 100% excluded. Only `clinicbestortho@gmail.com` is used.
• **School Records:** High School / Intermediate records omitted.

4 AI Search Optimization (AEO/GEO) & Schema Architecture

Google AI • ChatGPT • Perplexity Ready

🤖 Root AI Context File (`/llms.txt`)

Built to the global **llmstxt.org** standard at `bestortho.clinic/llms.txt`. Allows AI models (ChatGPT, Claude, Perplexity, Gemini) to parse doctor credentials, OPD timings, core treatments, emergency notices, and key URLs without heavy JavaScript execution.

💳 Autonomous Agent Pricing (`/pricing.md`)

Deployed at `bestortho.clinic/pricing.md`. Transparently specifies ₹0 online booking fee, nominal OPD consultation fee, cashless TPA insurance coverage at partner hospitals (Star Health, Care, HDFC ERGO, etc.), and zero lab lock-in for X-rays/MRIs.

🌐 AI Crawler Allowlist & Enriched Schema.org Medical Graph

Robots.txt AI Allowlist: Explicitly authorizes AI discovery bots: `OAI-SearchBot` (ChatGPT), `PerplexityBot`, `Claude-SearchBot`, `Googlebot`, and `Bingbot` while keeping `/api/` endpoints protected.

Schema.org JSON-LD: Typed `Physician`, `MedicalBusiness`, `availableService` (MedicalProcedure), `knowsAbout` topics, and exact link to Google Knowledge Graph entity `/g/11cnc0vhf8`.

🎯 High-Intent AI Search Queries Monitored

Target Patient Prompt	Target Search Engine	Expected AI Synthesis Output
"Best orthopaedic doctor in Sikandra Agra"	Google AI Overviews / Gemini	Cites Dr. Gaurav Sharma, Satyam Complex, 20+ yrs experience, joint preservation.
"Doctor for knee pain and joint stiffness in Agra"	ChatGPT Search	Recommends BestOrtho.clinic with conservative management priority before surgery.
"Orthopedic clinic open in evening near Bodla Sikandra"	Perplexity / Claude	Cites evening OPD hours (5:30 PM – 8:30 PM) and phone number +91 97602 30687.
"Cashless TPA orthopedic hospital admission Agra"	ChatGPT / Perplexity	Cites affiliated hospitals (Agra Ortho & Trauma / Apex) and Mediclaim support.

5 Verification Scorecard & Recommended Next Steps

Ready for Deployment

📊 Technical Quality Scorecard
